BAKING/THAWING INSTRUCTIONS:

Bake frozen fruit pies only!

Set oven at 375 degree.

Remove plastic bag and place frozen pie on cookie sheet. Place an aluminum foil collar around edge of crust to keep from browning too quickly. Bake for 1 to 1 hour 15 minutes until fruit starts to bubble. Crust should be golden brown.

Thawing:

The pecan, sugar cream, & pumpkin pies are fully baked. Do not re-bake. For these pies and the soft pies, remove plastic wrap and thaw 2 hours at room temperature or overnight in your refrigerator.
